10. Inclusion at CHS

Castle High School has been recognized by the Indiana IEP Resource Center for our outstanding inclusionary practices. Inclusionary practices occur in a variety of environments at Castle High School including our classrooms, clubs, and athletic events. The Indiana Resource Center is conducting a Media Project across the state and has invited us to participate. They visited our school on Monday, February 1st and Tuesday, February 2nd with their team of videographers and project coordinators. When they have completed their project, the video will be offered free of charge to all schools in Indiana.

It is an honor to be recognized for the hard work of our students and staff at CHS. We are also excited that we can make a positive impact on students beyond CHS. If the project is a success, many students from other schools will get opportunities for an education like our students receive through exceptional inclusionary practices.

11. Japanese National Honor Society

Congratulations to the Japanese National Honor Society, class of 2015, members. There were 45 students from Castle, making it the largest group in Indiana, and the 5th largest group in the United States. Students much have an overall GPA of 3.0 and a Japanese GPA o 3.5 to qualify.
