_____ I am in tech school next year and only need 3 - 4 classes @ CHS. In the electives area, write the name of your tech school program.

ELECTIVES (or failure make-ups) (remember to pair 1-semester classes if choosing in order to make a year)

Course numbers listed on curriculum sheet--please write neatly! Write the course numbers both semesters of a yearlong course. You need 7 total classes excluding lunch!

Please keep in mind that yearlong classes are a yearlong commitment. No class changes will be made at the start of school unless it is clear after the first several days of class that a student is misplaced in a course. Part of the student's responsibility in helping the team make this determination is to seek extra help from the teacher of the course in : is struggling. Getting a "B" or a "C" is not a reason to drop a course.

If you wish to be a teachers' assistant, office helper, or take an off-campus study hall 1st or 8th period, you must complete a permission form and return it to Mrs. Elaman. These requests will be subject to review of your discipline record and grades.
